

# Worthy Parts Mining Legends Charity Rebuild

On behalf of all the resources sector families we support, Miners' Promise wishes to extend our heartfelt thanks to Michael and Jaymi Worthington and their extraordinary Worthy Parts team.

Saturday 26th October saw the unveiling of the Worthy Parts Mining Legends charity rebuild project. A wonderfully well used R2900G Loader donated by Northern Star Resources, Rand Mining and Tribune Resources has been rebuilt over the past 12 months through the donation of hundreds of thousands of dollars in goods and services from service providers from around Australia (Mining Legends).

KCGM proudly purchased the rebuilt Loader which has been aptly named Michaela - in tribute to Michael Worthington, and 'she' will be put to work on site. **We extend our sincerest thanks to Cecile Thaxter and KCGM.**

Miners' Promise is honoured to have been one of the beneficiaries of the Mining Legends Rebuild Project that raised close to \$1 million for charity.

Michael and Jaymi Worthington at the KCGM Legends of Gold Charity Ball.

WE WOULD LIKE TO ACKNOWLEDGE THE FOLLOWING EXTREMELY GENEROUS DONORS WHOSE SUPPORT MADE THIS PROJECT POSSIBLE.

## PLATINUM

## GOLD

## SILVER

## BRONZE

Michael and Jaymi Worthington (far right) and Miners' Promise Directors and staff with 'Michaela'.

Michael and Jaymi's desire to make a difference to families in mining communities around Australia at their greatest time of need, has seen their visionary and inspiring fundraising concept become a monumental fundraising success, revered by all and which will positively impact the lives of so many families in crisis in our mining communities.

We would like to acknowledge the amazing Mining Legends Board of Directors:

**Michael Worthington, Hugh Gallagher, John Bowler, Joselyn O'Dwyer & Bill McKenzie together with Project Manager Sean Wood.**

Miners' Promise is an independent not-for-profit organisation and registered charity here to assist employees working in the Australian resources sector and their immediate family when impacted by a non-workplace or workplace crisis, including but not limited to a significant accident, illness or death. The money raised will enable Miners' Promise to help even more of our mining sector families when sadly, life doesn't go to plan. Our miners and their families need our support and assistance in times of crisis - and thanks to your generosity, we'll be here when they need us.
